

KBSS-1/RNIB & KBFS-1/RNIB DOOR STATIONS

The KBSS-1/RNIB is a surface stainless steel door station for use with the KB RNIB series video intercom system. Designed in collaboration with and evaluated by the RNIB.

Manufactured from marine grade '316' stainless steel with a matt finish, it is available in both flush and surface mounted versions.

The KBSS-1/RNIB has a colour tilt camera and loudspeaker/microphone and is designed for outdoor use, even in the harshest environments.

FEATURES

- Large easy push concave halo illuminated call button with black border.
- Speak Now Green LED for hard of hearing.
- Door Open Red LED for hard of hearing.
- Braille above call button.

KBSS1/RNIB
