

*Big Enough To Cope, But Small Enough To Care*

## DA-1SS/BP & DA-1FS/BP DOOR STATIONS

The DA-1SS/BP is a stainless steel door station for use with the DA and DB series Aiphone audio intercom systems.

Manufactured from marine grade 316 stainless steel, it is available in both flush and surface mounted versions.

The DA-1SS/BP and DA-1FS/BP has a silver coated plastic call button, loudspeaker/microphone and is designed for outdoor use.

The engraving for the call button and logo can be tailored for your own specific needs as can the physical size of the unit.

**DA-1ASS/BP  
&  
DA-1FS/BP**
