

JKSS-1 DOOR STATION

The JKSS-1 is a surface stainless steel door station for use with the JK series video intercom system.

Manufactured from marine grade 316 stainless steel, it is available in both flush and surface mounted versions.

The JKSS-1 has a Wide and Zoom Pan-Tilt colour camera and loudspeaker/microphone and is designed for outdoor use, even in the harshest environments.

The engraving for the call button and logo can be tailored for your own specific needs as can the physical size of the unit.

JKSS-1
